

Regional Groups

*“Retired from our position
but not from our profession”*

Retired Regional Groups provide an array of social activities and opportunities to support public education. You can attend one event or all of them - it is totally up to you.

A central graphic featuring a large black circle containing a list of activities. This central circle is surrounded by several smaller circular photos of people in various settings, including group meetings, social gatherings, and outdoor activities. The photos are framed in red and green. There are also several small solid circles in red, green, and black scattered around the central graphic.

Retired Regional Dues

Most of the regional groups have annual dues of \$10.00.

A few offer the choice of Life regional dues.

These funds are used to defray the costs of activities, provide new member incentives, and to make charitable donations.
