THE VALUE OF MEMBERSHIP

1

Salary and Benefits: Simply put, educators deserve professional pay for professional work – and the members of Missouri NEA are the premiere advocates fighting to ensure you're paid what you're worth.

2

Respect: Missouri NEA members form the strongest voice advocating for educators and students across Missouri. We're fighting against the standardized test regime, raising the need for fair evaluations, and standing in solidarity to secure fair wages for every worker in our schools.

3

Professional Development: Missouri NEA is one of the largest providers of high-quality professional development trainings in the state. Take part in continuing education in everything from classroom management to teacher evaluations.

4

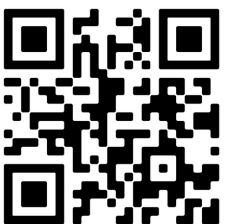

Networking: Being an educator can be stressful – but you're not alone. We are here to provide support, experience, and the resources you need.

5

Member Discounts: Members can take advantage of exclusive discounts for supplies, household items, life insurance, cars, and more.

6

Legal Protection: Members get access to the best team of education law experts in the state. Having our liability insurance makes sure that Missouri NEA has you covered.
