

MISSOURI'S NUMBER-ONE ADVOCATE FOR PUBLIC EDUCATION

TOGETHER.
A STRONGER
VOICE.

As an **education support professional**, you play an integral role on the public education team and know what needs to happen to make schools safe and successful for students and the employees who serve them throughout the year. That's why you and your fellow educators, not politicians and policymakers, should be making decisions about schools and students. Join Missouri NEA and fellow educators across the state and nation to make sure your voice is heard.

THE VALUE OF MEMBERSHIP

Salary and Benefits

Simply put, education employees deserve professional pay for professional work — and the members of MNEA are the premiere advocates fighting to ensure you're paid what you're worth.

Respect

MNEA members form the strongest voice for educators and students across Missouri. Members are standing in solidarity to do what's right for students and to ensure fair evaluations and fair wages for every worker in Missouri's schools.

Professional Development

MNEA is one of the largest providers of high-quality professional development trainings in the state. Take part in leadership training and continuing education in everything from employee evaluations and collective bargaining to classroom management.

Networking

Being an education support professional can be stressful, but you're not alone. MNEA is here to provide support, experience, and the resources you need to be successful in the important work you do.

Member Discounts

Members can take advantage of exclusive discounts for supplies, household items, life insurance, cars and more.

Legal Protection

Members get access to the best team of education law experts in the state, and they have second-to-none liability insurance to give them peace of mind in knowing that MNEA has them covered while they focus on students and keeping schools running smoothly.

5 MONTHS FREE

If you join MNEA now as a first-time active member or a returning member, you can receive these early enrollment benefits:

- \$4 million Educators Employment Liability Insurance
- Consultation with an MNEA UniServ director when you need employment-related advice
- An unmatched professional network through internet; email lists; and local, state and national publications
- Access to exclusive online shopping offers and 300,000 discounts ranging from half-price hotels to local dining, shopping, cell phones, rental cars, travel, recreation and everyday purchases—plus even more discounts on the MNEA smartphone application
- Two free legal consultations and discounts on legal services for personal matters not related to employment
- The satisfaction that through your membership you will help shape the future of public education and the children it serves

NEA/MNEA dues for first-time members are \$150 for non-certified staff, plus local dues if applicable. NEA/MNEA dues for returning members (educators whose membership lapsed and were not members in the 2022-2023 membership year) are \$150 for non-certified staff, plus local dues if applicable.
